ABOUT

A full stack web developer that loves to discover new technologies and ways of solving problems. As a member on a team, I am focused, results-driven, team oriented and a fast learner offering the ability to assess an organization's needs and create a complementary, robust web presence.

WORK EXPERIENCE

BUSINESS ANALYST

Metropolitan Delivery Corporation | Jul 2014 - Present

- Draft and maintain business requirements and align them with functional and technical requirements.
- Provide input into developing and modifying systems to meet the company's needs.

CONTRACT SPECIALIST / FINANCE TECHNICIAN

United States Marine Corp | Nov 2006 - Jun 2014

- Managed the contractual aspects of the acquisition of supplies, personal and non- personal services purchased via open market from commercial and government sources.
- Maintained, reviewed and processed payments for the US Marine Corps master pay accounts.

EDUCATION

Diploma in Full Stack Web Development

TechLaunch.io | Jun 2018

Associate's Degree in Acquisitions and Contracts Management

Strayer University | Nov 2016
